Let's Talk About Technology

May 16, 2023

LGMS Gathering Space or Virtual Link
6pm to 7pm

Caregivers and children (10+) are invited to attend.
Childcare provided for 9 and younger.

Don't make dinner! Pizza and snacks will be served!

Guest Speaker
Myka Piekenbrock
Registered
Psychologist

Piekenbrock Psychological Services
Visit: www.mykapienbrock.com
Email: info@mykapienbrock.com
Call: 403-707-5553

Addressing the common parental fears and adolescent demands, Myka will talk about the evolution of technology, the current benefits and risks as well as providing strategies and interventions for families to consider implementing immediately.

Myka will dissect common techniques of the Attention Economy while connecting important developmental milestones influenced by today's social media platforms.

This one hour presentation will leave you and your children better informed and prepared to enjoy technology with confidence.
