

March 2024

Family-Teacher Conferences

We have Parent/Student/Teacher conferences coming up and this should be a meaningful and productive conversation guiding student progress for the second semester. Students have set goals for the second semester, and our conference time is an opportunity to review these goals, discuss what is going well and some challenges that might be occurring.

Please fill out the **interview form** with the preference of your interview time and have your child return it to the school. Your child's teacher will be in contact with you.

- March 13 from 4-7pm
- March 14 from 5-8pm (dinner will be served)
- March 15 from 8:30-11:30am (light snacks will be served).
 - There is no school for students all day
