INFORMATION ON CLOSURE AND DETOUR ROUTE

Hwy 1A between Grotto Pond and Lafarge will be closed to traffic starting at 4:00 am on Thursday, March 21st, and will remain closed until evening of March 24th. Weather will not affect our work schedule.

During this period, the approved detour route, as sanctioned by Alberta Transportation, will be along Highway 1 and 1X. This closure will inevitably add travel time to your journey.

Travel time from Exshaw to Canmore along the detour will add approximately 10-12 minutes to the journey, resulting in a total travel time of 24 minutes one way. We recognize the inconvenience this temporary road closure may bring to your daily schedules. Please know that we truly appreciate your flexibility and understanding as we work to complete the project on the highway.

We have collaborated closely with various stakeholders, including Lafarge, Baymag, Graymont, MD of Bighorn, Stoney First Nations, Canadian Rockies Public Schools, Exshaw School, Town of Canmore, Fire & Emergency Services, CP Rail and of course Alberta Transportation and Economic Corridors.

Please don't hesitate to reach out if you need further assistance. We are committed to ensuring that this disruption is minimized to the greatest extent possible.
