Annual Demographic Update

You will likely have received an email asking you to complete the Annual Demographic Update for your student(s). This is a government requirement that needs to be completed each year. .

1. Log into powerschool.crps.ca
2. If the left-hand menu is not showing, click the little arrow to expand it and then click on **SchoolEngage**.
3. Then click on your student's name from the left-hand menu.
4. On the right-hand side of the screen, there should be a link for the form.
5. The form looks very much like the registration form, but it's an opportunity to update contact information and emergency contacts.

Please call the school if you need assistance logging in to complete the form.
