Family - Teacher Conferences

We look forward to welcoming families to the family - teacher conferences on November 6 to 8.

Your child should have brought home a sign-up sheet to schedule the conference. Your child(ren)'s teacher will call to arrange the conference time and format (in person, by phone, or online) once the sign-up sheet is returned.

Reporting Absences

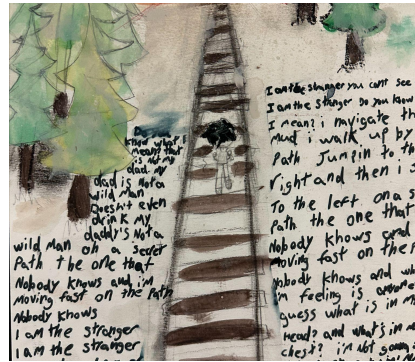

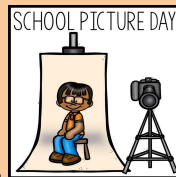

Just a reminder to please call in before 9:30am to report any absences (403-673-3656). The system automatically starts calling families at 9:30 for any absent students.

Picture Day

Photo re-takes will take place on Wednesday Nov 13.

There are 2 ways to **order photos**:

- Directly from Lifetouch with the information provided with the proofs (*there are often more options available this way*) and orders can be placed up to the end of November.
- Drop off the order form along with the exact payment at the school office.

Annual Demographic Updates

You will likely have received an email asking you to complete the Annual Demographic Update for your student(s). This is a government requirement that needs to be completed each year.

1. Log into powerschool.crps.ca
2. If the left-hand menu is not showing, click the little arrow to expand it and then click on SchoolEngage.
3. Then click on your student's name from the left-hand menu.
4. On the right-hand side of the screen, there should be a link for the form.
5. The form looks very much like the registration form, but it's an opportunity to update contact information and emergency contacts.

Please call the school if you need assistance logging in and/or completing the form.

Hot Lunch Vendors

A huge thank you to all of these amazing vendors for providing meals for the hot lunch program!
